

# Do more for retirement automatically

Are you currently contributing a set dollar amount to your deferred comp account?  
You could be saving more, with no added hassle.

**The percent-based contribution option helps you:**

- Give your contribution an automatic raise every time you get one
- Avoid the risk of forgetting to increase your contributions
- Increase the potential to achieve your investing goals

My Interactive Retirement Planner is a service mark of Nationwide Life Insurance Company.

This material is not a recommendation to buy or sell a financial product or to adopt an investment strategy. Investors should discuss their specific situation with their financial professional.
